Experience

I am currently studying biotechnology in the 10th semester, at the moment I am researching for my bachelor thesis at the University of Eppendorf in cancer research, besides I work as hostess for Simplyfine, UCM and Instaff among others at HSV games in the VIP area, and at many fairs in Hamburg and Berlin. Overall, I have had around 40 missions as a hostess and I really enjoy this profession. My English is fluent in spoken and written, having spent 6 months working in a laboratory in New Zealand.
