### Experience

During my experience in the world of work, I have worked for a very long time in the retail sector and have had to establish contact with customers and advise. I'm currently a student in the 7th Semester in the field of international marketing and completed a 6-month internship at SNIPES and Esprit in the marketing department as part of my studies. I also completed semesters abroad in Korea. In addition to my studies, I worked as a waitress in bars and restaurants and helped at private events, both beer tapped and drinks and coffee area. I also represented the company PROLED as a trade fair hostess at the Euroshop Messe 2020.
