Experience

At the moment I am a student for becoming a teacher in the subjects English and Spanish. I worked for about 6 months as a part-time worker in the café „Pano Brot & Kaffee“ in Stuttgart. I also worked as a part-time worker at the front desk of a gym called „Heldenhalle by Movefactory“ which is also in Stuttgart. I've made already a Promo Job on InStaff for AOK and I also worked in the service/ catering on a business event.
