Experience

Hey there :) My name is Pauline and I'm currently studying International Business in Munich. Next to my studies, I work in the Allianz Arena and at Business Events in the service sector and as a hostess. Through my previous jobs (in restaurants/cafes) I was able to gain a lot of experience already. Due to the fact that I lived in the US for a year and also due to the fact that my studies are in English, I would say that my English is very good and that for sure I'm a confident speaker. In general I would describe myself as an openminded, easy going and happy person who is always ready for a new challenge. It would be a pleasure for me to work with you! :)
