Experience

During my school years and studies, I worked on a 450 € basis in a gas station at the coffee bar and there I also gained experience in the kitchen area, but only simple helping tasks. I was involved in the Ludwig Erhard Symposium 2017, where I helped the caterer during the fair and cleared the tables. I also worked in a small bakery during my secondary school years. Currently I'm studying International Business Studies in the 6th semester in Nuremberg and have completed a 6-month stay abroad in St. Petersburg, where I studied in English, but also improved my Russian in everyday life.
