### Experience

Worked in a bakery for over a year as a seller and subsequently another year for a catering company stationed in Darmstadt. I also did jobs as a barkeeper and hostess on several fairs in Cologne. I am available in Mainz, Frankfurt, Darmstadt, Wiesbaden and nearby. I am always friendly and professional, I like to work in dealing with customers and I am always open minded for new and interesting jobs. Until the end of January 2020 I'm studying Sociology in Budapest to improve my language skills
