### Experience

- Experience as a waitress for 3 years: carrying a few dishes at once is no problem, communication with guests in German and English, experience in front and behind the bar. - 1,5 years working experience as a PR manager, this is the reason why communication with clients/guests and selling products to people is not a challenge for me anymore. Eventmanagement and organisation was a huge part of that job as well. - Bachelor's degree in management and languages - Master's degree in language and communication
