### Experience

Next to finalising my A-levels I had been working for 2 years in a restaurant as a waitress. Through this working experience I am familiar to service rules and also experienced in working with people. During my apprenticeship to an office clerk at the "Bayerischer Rundfunk" in Munich I was able to gather first trade fair experience and develop them further through my participation at the "Medientage München" and also at the "VW Konzern Forum" in 2018. Currently I am studying User Experience Design in the first semester in Ingolstadt.
