Experience

From 2015 to 2018 I worked as a temp in the kitchen of my school. Besides school I also had regular temp jobs as a waitress, hostess or at the bar. For family members or friends I have always waited tables or helped them plan and set up events. In 2019 I did a European voluntary service in Armenia, where I learned to communicate in Armenian on the one hand and on the other hand I deepened my English skills. Furthermore I am a very communicative person who is able to handle my tasks independently and responsibly.
