Experience

I have been working in the food service industry since I was 15 and have worked in a juice bar for about 5 years, producing and selling juices there. I also worked for the „Cafe and Bar Celona“ making coffee, cocktails and all kinds of drinks. I haven't had as much experience in service but I do know my way around and I enjoy it a lot. Furthermore, I have helped out at individual events such as birthdays, exhibitions and in hotels. I am generally a friendly, open and reliable person who enjoys working in customer service and dealing with customers / guests and colleagues.
