Experience

Several internships and mini-jobs in the following fields of work: event management, law firm, shotview photographers management, gastronomy (ice cream shop, café, kiosk) as well as packaging in a food factory. I also attended a tourism school in Austria for one year with a focus on cooking, serving, accounting and management. I had the opportunity to spend a lot of time abroad including an exchange in Cape Town, South Africa for half a year. I therefore like to communicate in English, and employers tell me that I have both, a highly developed social competence and a keen perception.
