Clothing measurements Height: 173 m
Clothing size: 36

Experience

I worked for several private events for example at weddings or vernissages, where I had to welcome the guests, serve food and beverage and ensure cleanness. During my internship as a veterinarian i gained new experiences in customer services while working at the reception or office. I also have experiences as hostess and promoter at the fair, for example at Electronica 2018 or at the Congress of the European Society of Cardiology and as well as model.
