Experience

Hello everyone I am always looking forward to new tasks and new challenges. I like to work with people of all ages and I am open to new things. As a sports student, I take on new challenges and look forward to supporting various events. Thanks to our own fashion business and the gym, there has been a lot of experience in dealing with customers for a number of years. Likewise through work experience in many different areas such as the gym in Stuttgart, as a teacher at school or at the different events of InStaff. So I am happy with my motivation and my ability to support your team.
