### Experience

I have 2 months of experiences in catering and service where i did jobs such as waitressing, preparing banquets in hotels, checking-in at the checkroom, sitting at the reception, or selling drinks at beverage booths. I also did promoter jobs in which I distributed flyers, took care of a contest and gave out free gifts. Worked as a hostess at the IAA, the Erofame and HMI exhibition, where I took care of the customers by talking to them and serving them with drinks. Also I was able to spend a year abroad in California in which I gained many new and different personal experiences. I am currently in the 4th semester of my law studies and participating in an international renowned Moot Court, where I represent the Leibniz University Hanover.
