Experience

It always makes me such a huge emotion when i'm about to talk about my experiences. After my graduation I did an apprenticeship in office communication. Thereafter i completed an internship in the field of online marketing. After I worked as a CASHIER at the KENTUCKY FRIED CHICKEN RUDOLFPPLATZ in COLOGNE. There I learned a lot at the cash desk. In addition, I also worked at TK MAX in the sales department in Cologne. Afterwards i made experiences in various commitments like cellarer both in the restaurant, bar, private company party and on a boat. Most recently I also had experience as hostess in the operational preparation
