Experience

I have a bachelor's degree in economics and I am in the 2nd year of my master studies at the moment. I've worked as an entrance greeting of a department store and as a hostess at the Gamescom 2018, Dmexco 2018, Photokina 2018 and Intermot 2018 in Cologne. My tasks at the Gamescom consisted mainly of keeping an overview and communicating new instructions to the other hostesses. At the Dmexco, I coordinated the theatre schedule and provided drinks and snacks. At the Photokina, I promoted products and until 2017, I was working as a waitress in a restaurant in Düsseldorf for two years.
