### Experience

I have had the pleasure of working at several events and exhibitions around both Cologne and Frankfurt including but not limited to: Scope 2019, DMExco 2018, Crew catering at concerts, IAA 2019 etc. Well versed in both hostess and service/catering as well as promotion jobs. Open and communicative, I am not afraid of approaching guests with a smile. I see myself as responsible and solution oriented - instead of dwelling on what went wrong during a crisis, I accept it and move on to problem solving. I have experience dealing with high profile customers and working in the luxury sector, especially since I have had the advantage of being educated at private schools. I am currently in the 3rd semester of medical school. I graduated with an Abitur of 1.2 in 2018. I am native in English, German and Chinese due to a very international upbringing and well versed in formal/academic
