Experience

As a model, I have experience with catwalk and photoshootings. With promotion jobs and service, I did a boat party in Mainz, the Schlossgrabenfest in Darmstadt and worked at an Irish pub. As a seller, I've worked for fashion brands for over an year. In the trade fair industry, I successfully completed my first experience as an exhibitor at the IAA Frankfurt 2019 and dealt with a large number of international customers. Among other things, my job was to explain ZF's automotive integrated security system in German and English. Guided tours without and with microphones for groups of up to 30 people were also included. My first job with instaff was at the Toy Fair 2020 in Nuremberg. In terms of languages, I can speak fluent German, English and Portuguese. Spanish is not a big problem for me either.
