Experience

I have got two years of working experience in Themepark the Efteling. I also gained working experience at several events throughout Germany and the Netherlands. Here I have been working in the wardrobe, at the bar, as a hostess, and at the cash desk. I am currently working as a flight attendant, which keeps my knowledge of service and hospitality, as well as my English, up to date. I enjoy working in a dynamic environment, and I like working in a team, as well as alone. With a creative mindset and a good mood, I'll be a great asset to your event.
