### Experience

I am studying Translation, languages and cultures (English and Italian) at the Johannes-Gutenberg Universität Mainz (located in Gernersheim) and about to graduate (Bachelor of Arts, translator). I have been doing a big range of different jobs e.g. Hostess, Chefhostess, translator, interpreter, promoter, as well as sales-promoter since 6 years. Mostly I have been working as an interpreter on big exhibitions such as the IAA in Frankfurt or the Motorcycle exhibition EICMA in Italy (Milan). So I have basically been doing different kind of jobs within Europe. Last but not least I have been working as a Model. I am looking forward for your inquiry!
