### Experience

I have been working as a waitress for 7 years in the catering industry. So I've worked in various restaurants and also behind the bar. In addition, I worked for a year as an entertainer in hotels. At the same time, I helped in the hotel restaurants and thus gained experience in this area as well. During my apprenticeship I worked for 2 years on events, in the catering area, as a promoter and also as a hostess. In addition to my main job I also model for about 6 years on TFP basis.
