### Experience

Hello. My name is Nadine Kintscher. I have experience in waitressing at VFL Osnabrück in the VIP area. In addition, I have often worked at private events as a waitress and in a beer cart. For these reasons I could already collect some experiences in the catering trade (tapping etc.). Through this portal I have been able to gain many insights into different professions. As a service worker I was allowed to work through InStaff on the one hand in thermal baths, as well as in a congress hotel, on a fair and in a mulled wine hut. I am looking forward to a mutually satisfying cooperation and I am open and flexible for any job offers.
