Experience

I completed my English and German studies at the university of Heidelberg with the final grade 1.3. Currently, I am finishing my third subject Politics and Economics also at the university of Heidelberg. Due to two stays abroad, one high school year in Toronto and one year as an assistant teacher in Edinburgh Scotland, my English speaking skills are impeccable! Unfortunately, I do not have much experience as a hostess yet. In fact, I so far worked only once for a week as an interviewer at a fair in Frankfurt, but I enjoyed this job very much and it confirmed to me that I am extremely good with people simply because I am a very open-minded, friendly person who gets along very well with others. Furthermore I have had experience with people from all over the world during my voluntary work as a German teacher for refugees.
