Experience

I have been working on a lot of events, mostly in Hannover at the fairgrounds. My jobs for example were to do surveys on visitors and exhibitors, as well as guided tours in english, being a hostess for VW at the IAA and taking care of a car. Also I have 4 years experience of serving. I am able to carry more than 3 plates at once and also a full tray, working as cashier at an organic store. I've been for a year in Canada and ever since visiting frequently so my english is fluent and almost accentfree. I am a very polite, opened and friendly person. I am not shy and talk to people if I see that there is a problem or they need help. When I am working at events or fairs I just like to see that people a good time. If there are problems I am doing my best to solve them.
