### Experience

I have been working as a flight attendant for five years before I started studying laws. As a flight attendant should be, I am really team-minded and communicative, love being a host and regard a groomed appearance as important. I already worked as a hostess at several trade fairs, including food and beverage service, handing out flyers and attending a lottery. Furthermore I worked as a promoter (flyers, gin und sparkling wine tastings) and was a helping hand for many events (cloakroom service, accreditation, organisational tasks, packing goodie bags). I am very open-minded and looking forward to new experiences and new acquaintances.
