### Experience

I already worked at various events, as a promoter at the Phillips stand at the IFA 2018 in Berlin for instance. I also have over 2 years of experience in catering, service and eventhelper. Reliability, courtesy and punctuality are no foreign words for me. Among other things, I was often active as a bartender; Being customer-oriented and thinking are therefore a self-evidence for me. I have a positive attitude and always look forward for interesting events.
