### Experience

Hallo , after I finished my secondary school I did a training and I visit some courses and I worked as a policeman for five years and then I travel to Germany to finish my Bachelor I study right now in Leipzig university of applied sciences. I worked in Germany with Leipziger Volkszeitung für 2 years and my job was in production section I sorted the letters there and I correct the address of receiver. My second job was by Amazon there I packed the package nicely. My skills are Microsoft Office and HTML , C as coding language . Thanks for reading and I will be happy to work in your company. Thanks for reading. Best regards Salah
