### Experience

Currently i am studying communication designs (Bachelor of Arts) at the Burg Giebichenstein in Halle. During the last years i was working at different art events, especially expositions. The main working parts included the organisation and structure of the booths and looking after guests and disabled people. I collected experiences in the wardrobe area, bar/kitchen and know as a event assistance how a exposition should work. Additionally i was working for two years in a familiy, helping in household and babysitting. I am used to difficult situations, know how to react planfully and i solve problems fast and without complications. As a dependable and flexible person, i like to work in a team and i am supoorting your event conscientious and responsible.
