Experience

I often helped at private events and served food and drinks. Now I am studying medicine in Göttingen in the 4th semester and completed four months of an internship as a nurse in two different hospitals already. During these internships high demands in hygiene and tidiness were made. In 2017 I worked as a promoter for AIDA in a mall in Bremen. Furthermore I took over the catering for an in-house exhibition in Hamburg in March 2019.
