Experience

I study electrical engineering at Jade Hochschule Wilhelmshaven and also work in the field of gastronomy / inventory / promotion / production / logistics (various jobs at trade fairs / major events), I speak German fluently. I am a very open person who enjoys working with people and in teams. I also worked in production at Mercedes Benz's Bremen plant. I am really looking forward to my work and always want to have a part-time job because it enables me to be active in my life. I am ready and motivated to perform well at work. I am also sure that I can handle almost any job.
