Experience

- worked at a restaurant in the wash kitchen for four months. This job has not only made me learn how to work under pressure, but also expanded my working skills in the service field. - worked in a medical laboratory to conduct surveys with patients and also store data via Microsoft excel. This helped me to expand my IT skills & also work one on one with patients. - worked in a Christmas market for 4 days where I served drinks. This expression helped me to work under extreme pressure & also helped me further my social skills.
