Experience

I'm currently studying history of art at TU Berlin and working as a waiter, bartender, promoter and staff vor events on the side. I have even worked as a cashier in a hobby market already and meanwhile have almost 8 years of experience in gastronomy. The last two years of these I've been working for the well known restaurant Borchardt and Café am Neuen See in Berlin. I speak very good english because I practice it everyday talking to my english speaking flatmates. In addition I speak italian nearly fluently because I did an Aupair in Rome where I worked with children for almost one year. In my freetime I love doing sports, I go to the gym, swimming and climbing. I'm strong, fit and dynamic. Heavy physical work is fun for me. Nevertheless I am a communicative, openminded person who likes to meet new people and make new experiences.
