### Experience

Hello, During school time, I have already been able to gain experience in dealing with children, as I was working as a director of Kindernothilfe AG ??(organization, cake and beverage sales, presentations in front of parents and students) and tutoring in the subject English have given , At the moment, aside from my studies, I sometimes work as a temporary assistant in an electrical engineering company (organization, file sorting). In addition, I have been able to gain a lot of experience in the areas of event assistance and promotion through InStaff. These include u.a. distributing flyers and giveaways (e.g., at the Urology Physicians' Congress or the HSV Volksparkfest), motivating passers-by to take part in sweepstakes or serving drinks (e.g., drinking beer in the VIP area of ??many sporting events).
