Experience

I was able to collect first experiences in selling, when I worked at the Cannstatter Wasen 2018 and 2019, selling tobacco and luftballons. Furthermore I've worked for different companies who are active in the fashion and retail sector. In addition to my selling experiences, I'm also working as a promoter and did several promotions for a fitness company, a gardenmarket, a radio station, an insurance company and a well know alcohol brand. Apart from this I worked on the fair in Stuttgart for example at the hall of vape fair.
