Experience

I've been working in the catering industry since 2012, where I primarily work as a service staff. I have already worked in the restaurant, cafe and bar. This way, I know how to satisfy guests, give them a good time and how to deal with the various groups of people. A positive charisma is the alpha and omega. As a hostess, I gained my first experiences at the Shisha fair in Berlin and Inter Tabac in Dortmund. My main occupation is in the real estate industry. Every day I work with a wide variety of people there, which makes work interesting for me.
