Experience

During my school time I was a member of the school newspaper and in consequences I sold the annual print editions to students and teachers. In addition, I often worked as a hostess at school events, for example on open days or special events. In 2015, I took part in a career information day at a pharmacy and thus completed a two-week internship at the veterinarian in 2016. Moreover, I also worked as a waitress at private birthday parties.
