### Experience

Dear Sir or Madame, my name is Lena Wesche and at the moment I am a student of agriculture at the Georg-August-University of Göttingen. Before my studies I did a two years internship to become a farmer. I worked besides school and university in several minijobs. I have a lot of working experiences because of my internship and the jobs I had. All of my employers described me as a very dependable, and diligent worker who is always friendly. In the following you can find a survey about my recent jobs. Employee of the catering company Koschinski (Greifswald), barista internship, waitress in franchising company Sausalitos (gastronomy), working experiences on several events e.g. equestrian competitions, graduations, weddings....
