Experience

I worked in ice cream parlor for two months in holidays, so I know how to carry out the food or dishes and that's also the reason why I'm polite and kind to customers. I send an application to Bershka store to be a style creator, because I'm really interested in fashion. All my outfits and makeup looks can be found on my account @lovemusiclikehe on the Instagram. I was two weeks in England to improve my English language and I'm going to travel again for one week.
