Experience

I studied for 3 semesters economics. I lived one year in the US, that's why my english skills will be on par for everything. I am a confident guy, who is quick to catch up with the tasks given to him. I am built quite well, so I will be able to move heavy materials around. I did an internship for a newspaper, so I know my way around in terms of Media an Communication. In already worked as a Host at the IFA, where I was able to gain 60 hours of experience.
