Experience

I've worked 3 week for the Malteser Hilfsdienst as a Promoter. Because of this experience I'm able to talk to people openly and work on my own. Also I was part of a Team so it's easy for me to adjust to new people and situations. Apart from that I also worked at a bakery and a hairdresser for a few day, so i know how to interact with customers. In addition I've also helped successfully at different inventories. Currently I study architecture at the Beuth Hochschule in Berlin.
