Experience

I study international business management, so I know how important it is to work in a customer-oriented way to generate satisfaction. These aspects I use as an employee, whether as a model or hostess. I worked for several trade fair jobs like the Gamescom in Cologne, the Oldtimer Messe in Stuttgart and the intatabak in dortmund. my areas of expertise were stand support, vip service care and wardrobe activities. Due to my linguistic diversity, I am often used at international fairs.
