Experience

In my working experiences, such as "working as a host in K-Show in Düsseldorf 2019", I learned many things, for example; how to deal with customers and it was a great pleasure to work with international people and I am very proud to have participated. I am a smiling and nice person with strong personality. I have high ability to work in a team, organizational talent and fast comprehension. I can speak four languages (German, English, French and Arabic). I am flexible for different job (salesman, promoter, host, event helper...). After the amazing experience I had at the last K show, it would be great if I could repeat that experience and meet even more people in such place.
