Experience

I have worked at a lot of exhibitions (e.g. Opti, ISPO, Heim und Handwerk, Outdoor) and at 2-3 day events (DAB-Kongress, HPE Discover More Event). Through that I have gained a lot of experience in dealing with a variety of customers and keeping them happy. I'm also experienced in the service field and working a cloak room or at the registration. Because of my one-year exchange in America I'm completely fluent in English (Cambridge-Certificate C1)
