### Experience

In the past, I jobbed at a service point for a regional community centre and in a coffee shop. By doing these jobs, I could improve my skills in sale and customer contact. Furthermore, I worked as hostess at some exhibitions like FOKO, IAF, Infratec, Doglive, Gamescom or Dmexco. I also completed some promotion jobs and have sale experience. I studied half a year a semester abroad in Sydney so that I am able to speak English fluently. In 2017, I finished my undergraduate study in "Total Facility Management" (Bachelor of engineering). Currently, I'm doing my postgraduate study in "Facility and Real estate Management" (Master of Science). I have advanced skills in softwares like Microsoft Office, especially in PowerPoint, Word and Excel, SAP and CAD. I looking forward to a successful cooperation!
