Experience

I have already gained experience in the gastronomy and at events. On the one hand I work occasionally in the Gutmann dance school and on the other hand I have already worked in restaurants in the south of France during the summer holidays. Positions that I occupied at events at the dance school were the entrance, the cloakroom, the service, the installation, the dismantlement, the childcare and the scullery. In the dance school I have been employed as a minijobber for more than 3 years, so I have a lot of experience in the listed areas of activity. I was already working as a kitchen assistant in the gastronomy.
