Experience

Currently in the 7th semester of my civil engineering studies. I worked regularly as a seller in the retail trade since 2014. Internship as insurance broker and banker in the year 2009. Furthermore I have a lot of experience in the medical field due to an internship as hospital nurse and an completed apprenticeship as medical assistant in 2016. Temporary help and 12-week internship as flooring plasterer in 2017. Professional practical training in a construction company in 2019, where I did the typical job of a site manager.
