Experience

I am working in Promotion campaigns for Sportfive and Holifestivals for two years. Mainly the jobs include these jobs speaking to passers-by. But I also did Promotion campaigns in front of the shops on advertising stands and with distributing giveaways or selling festival tickets and doing online promotion on social media. Furthermore I got experience with working on a bar or in service for Lionsentertainment and Holifestivals. In both companies I also worked in reception committee or in box office.
