Experience

Student in 2. Semester, I made my Abitur in 2020, while going to school I already worked at the same time at drugstore Müller in the section for perfume and beauty, as well as afterwards at Ikea in the section customer service. Due to these jobs I already have some good experience in working with direct contact to customers. Furthermore I did some volunteer work at Gemeinde Schöneck, where I supervised kids from age 6-13 years and worked as waiter at small events. At the moment I study Economics with a focus on logistic at DHBW Mannheim and work at a forwarding agency.
