Experience

So far, I have been able to collect various experiences as hostess, e.g. at the book fair in Frankfurt am Main or the IFA in Berlin, for customers from Calzedonia to ThyssenKrupp. For several years now I have been working with the agency InStyle Models. In addition, I have many years of experience as a waitress and at the bar. From 2017-2019 I worked in the Visitors' Service of the German Bundestag, where I had to deal daily with guests and the members of parliament within various organizational tasks. Through my studies in social sciences at the Humboldt University in Berlin, I have developed a great interest in and knowledge of political and socially relevant topics. Due to my quick comprehension, it is easy for me to find my way in a new, unknown situation and to act confidently - also in a team.
