### Experience

I already worked as a Promoter for Nebenan.de, tipico and Unicef. I also worked at the K trade fair (Plastics and Rubber) in Düsseldorf.  
Now I am finishing my studies in International Relations.  
I used to help out as a waitress at several university events and at church.  
During my studies, I worked as a support for the sales and Marketing department of the company Apex Group of Companies. I answered Emails and requests from clients. Now I am working as a salesperson in a shop for homewares and hobbies (Xenos GmbH).  
Next to my studies and work I also take part to Model United Nations (MUN).  
Through those events, I could enforce my communication and negotiation skills.
